# STEP CHANGE YOUR SAFETY PERSPECTIVE

What can we learn from more than a billion hours of work? How to achieve world-class safety. ABC analyzed the incident rates of members who participated in the 2017 Safety Training Evaluation Process and found that STEP can help the best-performing contractors achieve remarkable safety performance—more than six times safer than the industry average.\* That's what we call world-class safety.

Our members can speak to the power of STEP and its impact on creating a culture of safety that believes every incident is preventable.

# CONNECTING YOU TO OPPORTUNITY

We believe that the most successful contractors are connected to knowledge, opportunity, and each other. That's why our tight-knit community is like no other in the industry.

---

#### Nationwide Network

Our members have steady access to the support, resources, and influence of ABC National, which represents more than 20,000 industry professionals across the nation who are vested in each other's success.

---

#### Networking Events

Our year-round networking events get members talking about business opportunities, industry news, and personal interests. Whether a breakfast seminar, golf outing, or brewery tour, we give our members endless opportunities to connect.

---

#### Peer Groups

Comprised of like-minded peers who want to strengthen their businesses, these small groups serve as a powerful sounding board for new ideas, a place to share industry knowledge, and a forum for candid conversations.

---

#### Dedicated Staff

Nobody wants to be treated like a number. Our team of dedicated professionals knows your name, your needs and your interests. We can get you closer to reaching your goals, and help you grow a personal network that will last a lifetime.

---

**"The open and supportive ABC culture has led to lifelong friendships with like-minded positive individuals. I leave each function rejuvenated and ready to tackle the next challenge the world has to offer."**
